Pecos ECHS
Welcome to Pecos Early College

High School where an exciting new educational opportunity is being provided through the collaboration of the Pecos Barstow Toyah Independent School District and the University of Texas of the Permian Basin. This unique school is specifically designed to not only provide students with a rigorous course of study, but to introduce them to college courses as early as the ninth grade.

Pecos Early College High School is redefining the typical comprehensive High School experience to complement an academically oriented small school setting. Students attending the school will be provided advanced coursework that enables the student the opportunity to graduate from High School with up to 60 hours of college credit, tuition free. Eighth grade students should complete applications in the spring of 2016.

The University of Texas of the Permian Basin will award a \$500 Spur scholarship to each ECHS student to UTPB per each semester for the completion of their dual credit course with a passing grade of 70% or higher.
